Sekiro gourd seed guide

NINTH GOURD SEED

9/9

LOCATION

How to use gourd seeds sekiro.

Defeat him and he will drop the first pumpkin seed. Then you have to go to the Wedding Cave Door idol in Ashina Depths. Now you are in the "Higher Tower" Room of Koro, after having spoken several times with the Divine Heir, instructs you to follow the smoke signals through the rooftops of the tower. There's a big red box before you open the next door, it's on the main path and easy to see. To reach Fountainhead Palace select the second dialog option "Break the Iron Code, stay Loyal to Kuro". Run past them to the top of the stairs and take a sharp right turn, then descend. From the idol of Grounds Palace, enter the next building, where some squid-like enemies crawl around. There, in the cave where you collected a piece of history, you have to enter a tent to be transported to Fountainhead Palace. Here in a narrow alley behind a wall sits a man. It's within walking distance of the idol. Cross the area until you reach the idol of the Grounds Palace, it is on the main route and not to be missed. After finding a Seed, bring it back to Emma at the Dilapidated Temple. There is a small tent with a merchant inside. On the roof of the tower, where you fought Genchiro Ashina, you must speak to Owl. Even the final pumpkin seed is missable as it depends on the final chosen. Defeat the main boss and talk to Kuro in his room until all dialogs are exhausted. After the gun turn left, cling to the branch of the tree above. Gourd Seed #5: Ashina Castle Return to the region's first idol, the one called "Ashina Castle".From here go upstairs where the 4 riflemen stand on the stairs. To unlock it, beat the main boss at the final chosen. Defeat the main boss and talk to Kuro in his room until all dialogs are exhausted. After the gun turn left, cling to the branch of the tree above. Gourd Seed #2:  , periphery Wall       Stairway This is in the building immediately after the chained miniboss Orco Orco Before General Tenzen Yamauchi (Miniboss). You can still return to all areas later, however enemy eggs change later in the game so that any collectible linked to a specific enemy could potentially be missable. There you can choose the game ending. The idols in that area will be blocked so that it has to return there through the abandoned dungeon. Cling to a 2nd branch in front of you (1 shooter here) and then jump on the wall to your left. Fountainhead Palace Gourd Seed n. 9: Palace Grounds This is unmissable!  , first you have to unlock an unmissable history area called Fountainhead Palace. After talking to Isshin, Emma is unlocked in the room     Kuro      . Ashina  , Depths Gourd Seed n. 8: Mibu Village from the Idol of Mibu Village, walk inside the village and       will find this under a large tree with white leaves where many enemies are gathered. Sunken Valley Gourd seed n. 7:  , Under-shrine valley from this idol, jump downhill and faces a border where a single sinker is. Now there are 2 riflemen on different platforms. In this guide they are listed in chronological order. After defeating the main monk boss corrupted in Ashina Depths and the main Guardian Bee boss in Sunken Valley, you have to go back to Ashina Castle. Ashina Castle Gourd Seed n. 1: outskirts wall         gate path immediately after the idol (checkpoint)         outskirts wall             gate path       you will come across a miniboss called     Lomori Kawarada              . Then update the healing pumpkin for you. Make sure you start with a furtive takedown (jumps through the roofs on the left and stattaola from behind). Sells this pumpkin seed for a thousand money. He asks you to kill all the enemies of the area. You can cultivate it from neighboring enemies and go back.     All the 9 Sekiro shadows pumpkin seeds die twice. This is also very useful for lasting long in bosses fights so grab these as soon as possible. Beware of the smoke signals on the roofs, they are showing the way. Open Open last Seed Pumpkin. Later in the game, after Ashina Castle, Emma will disappear from the Temple Dilapidate and will reappear in Kuro's room. He'll give you some information and he promises you your ways will cross again. A Pumpkin Seed can be used to update your healing pumpkin, giving you more healing charges (similar to the health bottles in previous games). Updating it completely unlocks the trophy or the final result of the healing pumpkin. This guide shows all Pumpkin Seed Locations. Some are in the world and some have fallen from some enemies. This site is not available in your country Sekiro Shadows Die Twice contains 9 pumpkin seeds. Talking to him makes Emma available in Kuro's room. That takes his life. You will sell one pumpkin seed for 2000 coins. After finding them all, remember to return to Emma in the room of KuroAs (in Ashina Castle) and give her the Seeds to unlock the trophy or the final result of the healing pumpkin. This     actually the default path of the story, you will come through this room in any case. At this point of the game Emma may no longer be 1 at the Temple Dilapidato. There are two pickup objects under a small roof, one of them  , the pumpkin seed. Gourd Seed #3: Ashina Castle Gate After defeating the main boss Gyoubu Oniwa (boy on horseback), cross the battlefield where the battle took place and climb the stairs.   Instead of heading to inside building here, you have to turn left and climb a . Follow the smoke signals to find an old man named Isshin. Will lead you upstairs to a temple with apparently no way to move forward, but in reality you can't cling to the wooden beams above and jump through a hole in the ceiling.   tree stands out easily,     the unique with leaves while all li li eregnuggar etevD accuz id emeS li " c ortned ,ongirco onu " c aremac aloppic atseuq n! ,atlov adnoces anu aidrauG aus al eregnarfni rep eraccatta e eraccolb atsab ioP .itrom onos irehla irtla tower (highest building on the map). Do this for him, then talk to him again. Hirata Summer No Gourd Seeds in this area! Ashina Castle Gourd Seed #4: Ashina Castle From the very first idol you reach in this region called     Ashina Castle   , head right and jump on the roofs. When you enter the tower you arrive at the idol     Torre Superiore     Antechamber   . Temple of Senpou, Mount Kongo Gourd Seed n. Step six: Temple of Senpou, Mount Kongo From the first idol of this region, follow the path where the monks are walking around. Lass     you will pass by a ritual room with 3 monks praying.   The Seed of the Pumpkin   here. Late deposit at the Temple Dilapidato just to the left of the idol    (sitting against a wall by a torch, it may be difficult to see).
